HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION No.20199 of 2006

ORDER:

The petitioner was granted quarry lease for road metal by the second respondent by proceedings dated 26.06.1998 for a period of ten years. The petitioner completed all formalities and he was permitted to take up quarrying operations. It is alleged that respondents 5 and 6 visited the petitioner's quarry and threatened to disconnect the power supply (Service Connection No.2230-180, Category-III) situated in Survey No.129 of Ogipur Village of Tandur Mandal, Ranga Reddy District. It is alleged that respondents 5 and 6 are threatening to disconnect the power supply at the behest of the fourth respondent. The petitioner, therefore, seeks a direction to the respondents not to disconnect the power supply.

At the stage of preliminary hearing itself, the sixth respondent has filed a counter affidavit admitting that the petitioner was granted Service Connection under LT Categorically-III in Survey No.129. It is also stated that as requested by Mandal Revenue Officer, Tandur, Service Connection at Survey No.129 admeasuring Acs.37.10 guntas was disconnected in the first week of September. However, it is also stated that Service Connection given to the petitioner was not disconnected and the allegation leveled against respondents 5 and 6

is not correct.

Though sufficient time is granted, the learned Assistant Government Pleader for Revenue (General-T) is not able to deny above position. Therefore, the Writ Petition is disposed of recording the statement made by the sixth respondent in the counter affidavit, and further observing that the Service Connection given to the petitioner cannot be disconnected without following due process of law. No costs.
